

## MVP BANDIT TRAVEL BALL PLAYER POOL INFORMATION

MVP is looking to build the strongest pool of players in the nation right here in Newbury Park! With two of our players being drafted last year and 3 already committed to Division 1 programs on large scholarships we feel that what we are teaching is truly Making Valuable Players. Come join our player pool and start getting the coaching you need to take your game to the next level. MVP and its staff want to help you accomplish your goals and assist you in any way possible whether it is just learning to hit or throw, get stronger, faster, understand the recruiting process, earn a scholarship, get drafted and hopefully for more than a few become a Major Leaguer. We have all the tools so sign up today and start dominating tomorrow!

Each day will consist of one or two of the following: Hitting, Fielding, Pitching, Catching, Agility, Mental Approach, Defense, Strategy and much more. We will rotate what is covered every few weeks so no one is left out, if they have a conflict on one of those days. Practices will be held weekly throughout the year including during regular season play. **Remember if you aren't practicing more than what you are required to then you aren't getting ahead.**

Tournament play will begin as each age group fills up throughout the first year. We will also be acquiring some field time and adding weekend hours as we grow.

## FREQUENTLY ASKED QUESTIONS

### How many players in each group during practice?

We will have no more than 10/1 ratio of player to coach in any practice session.

### Do I need to tryout?

No. We want all players to have a chance to improve their skills from the beginners to the advanced.

### I am already on a travel team can I still be a part of the Bandit Player Pool?

Of course! Come and train with some of the best coaches around to improve your skills! You are not obligated to play in any tournaments as a Bandit so feel free to just practice with us. Tournaments will come up periodically which you can choose to play in if you would like.

### Do I have to come to every practice?

No, but we would like you to attend all the practices that you possibly can so you can be the best that you can be.

### What about uniforms and Bandit gear?

We will have all the Bandit players gear available for purchase in the pro shop at MVP. Shirts, hats, pullovers, warm up jackets, belts, pants, sweat shirts and much more will be available.

### Where will the tournaments be and when?

We will try to play as locally as possible to keep the costs on our families down. Occasionally we will travel longer distances if we all agree on an exciting tournament that we want to attend. We will start playing and hosting tournaments as soon as our player pool fills up and we have the numbers to fill a team.

### Will we go to Cooperstown?

It is something we would like to do down the road with each of our teams. It is a large financial commitment which will be discussed with each team when the time comes to make a decision.
